Dear Mr. Trotter:

I have recently learned that an interracial action group has been formed in Peoria. We would like to be as much help to you as we can through our Congress of Racial Equality. I am enclosing a few items of literature that may be helpful to you. I particularly want to bring to your attention the preliminary announcement of a summer campaign. We are having this campaign in Chicago. Further announcements of this will be out soon. Let us know what else we can do to help you out and we would like to know more about your group.

Sincerely yours,

George M. Houser
